

what's your color sign?

Astrologer Michele Bernhardt helps you get in touch with your inner hue! **BY LAUREN A. GREENE**

Just like you were born under a sun sign in astrology, you also have a special birth color. This monthly color corresponds to your own unique qualities. Surrounding yourself with it will help you enhance your true self. Find your birth month below and read on for more insights into your personality!

JANUARY

Power color: caramel
You are: industrious and persistent. This color helps you accomplish all the goals you set for yourself and find balance when your plate gets too full.
Your destiny: a corporate, goal-oriented area like law or business

FEBRUARY

Power color: sheer lilac
You are: compassionate and forward-thinking. This color strengthens your sense of belonging and helps inspire you to make big changes in the world.
Your destiny: working as a lobbyist for a cause or with a nonprofit group

MARCH

Power color: fair aqua
You are: intuitive and empathetic. This color will strengthen your faith, focus

your dreams, and help reassure you when you feel unsure.
Your destiny: in a healing field like yoga, massage, or physical therapy

APRIL

Power color: cayenne
You are: fiery, energetic, and active. This color enhances your fearlessness and increases your energy when you're faced with anything new or unknown.
Your destiny: an adventurous job like astronaut or FBI agent

MAY

Power color: bud green
You are: sensual and indulgent. This color will keep you grounded and rejuvenate your spirit when you're feeling low.
Your destiny: a fun, hands-on job like chef or graphic designer

JUNE

Power color: aspen gold
You are: witty and intelligent. This color heightens your intellectual energy, and it helps you put people at ease and communicate better with them.
Your destiny: a job in publishing or music in which you can work with words

JULY

Power color: coral blush
You are: gentle, sensitive, and in tune with your emotions. This color helps you deal calmly with change or transition in your life.
Your destiny: a creative field, such as photography or interior design

AUGUST

Power color: sun orange
You are: regal, optimistic, and inspiring to others. This color helps boost your powerful and charming presence.
Your destiny: to be in front of a crowd as a performer or teacher

SEPTEMBER

Power color: baja blue
You are: efficient and detail-oriented. You can be discerning—this color hones your judgment so you stay open to other points of view.
Your destiny: a job in health care, like doctor or nutritionist

OCTOBER

Power color: cerulean
You are: peaceful, poised, and balanced. This color gives you strength when things aren't in harmony.
Your destiny: jewelry designer or art gallery owner—a job in which you can be surrounded by beautiful things

NOVEMBER

Power color: claret red
You are: independent and highly perceptive. This color helps you release pent-up energy during those times when things get too intense.
Your destiny: something that uses your skills of self-reliance and observation, like a detective or psychologist

DECEMBER

Power color: pagoda blue
You are: wise, truthful, and free-spirited. You live to travel, and this color helps you trust in yourself and lends insight to all of your big ideas.
Your destiny: exploring new worlds as a travel writer or cruise ship director
